Dear Sir/Madam

My name is [REDACTED] Co. Kerry. I suffer from Crhons disease which is an inflammatory bowel disease. I am trying to find out if my condition is to be covered by the cap in the new water charges due to the excessive water i have to use because of my medical condition. Thank you in advance for your time.

Kind Regards,

**Carbon Monoxide Awareness**

**Remember, Carbon Monoxide can be produced when ANY fuel is burned, including oil, gas, wood and coal.**

**Remember, to prevent Carbon Monoxide, have appliances serviced annually and keep vents, flues and chimneys clear.**

**Remember, Carbon Monoxide is odourless and colourless so for added protection install an audible Carbon Monoxide alarm.**
