Statoil (U.K.) Limited

1 of 1

Colm O'Gormain,
Commission for Energy Regulation,
The Exchange,
Belgard Square North,
Tallaght
Dublin 24

Statoil welcomes the opportunity to respond to CER consultation on the Gas Entry Tariff Regime Draft Decision. As a member of the Irish Offshore Operator's Association (IOOA) we have participated in the response submitted by IOOA and will not be submitting a separate response. Our response to the questions answered by the IOOA is "Statoil fully supports the IOOA response to this question".

Yours sincerely

A handwritten signature in black ink that reads "T. J. Burke".

Terry Burke

Regulatory Affairs Adviser
