

# Enduring Connection Policy – Step 1

## SO Considerations

# Objectives

- Prioritises DS3
- Delivers build ready projects
- Manageable size
- Links with rest of Enduring Policy
- Balances risk between UoS and applicants

# Principles

- Planning Filter
- DS3 priority & separate criteria
- Thresholds for processing
  - Number offers
  - MW
- Non-firm access

# Principles

- Batching
  - Start date (closing date for applications)
  - End date for offers to be accepted
- Grouping
- Minimise UoS exposure
- ‘On hold’ applications reapply
- COPP clarifications (e.g. capacity relocation)
